

Passport of Achievement

Year 3

Kirton Primary School

Achieving Success Together

Welcome from Mrs Donley,
Kirton Primary School Passport Officer

This is your Passport of Achievement for Year 3. You must keep this important document safe as it will accompany you all year.

This passport will become a record of your achievements as you take on some exciting challenges. You have until the end of Term 6 to complete these challenges. Should you complete them all (and have this verified in your passport), you will be awarded a Medal of Honour.

Read the challenges carefully so that you can begin planning how you will complete them. Some of the challenges can be completed at home, and some can be completed at school. You may need to ask teachers, teaching assistants, parents/carers or other family members to help you.

You do not have to complete the challenges in order; it is up to you to plan a successful journey. Check what proof you need for each challenge. You might need a stamp or sticker from your teacher, or a signature from an adult at home, or possibly a photograph or other evidence which you will need to stick in your passport.

Good luck with your Year 3 adventure. I look forward to looking through your passport at the end of the year – and maybe presenting you with a medal.
