Kirton Primary School's 'Shop and Bank' Open Day

as featured recently on the BBC News, Inside Out, Newsround, the Mail on Sunday, the Daily Mirror.

When: Friday 8th June 2018

The day will include:

- A presentation
- An opportunity to see the High Street in action
- An optional tour of the school
- An opportunity to talk to the children
- An Information and Starter pack (one per school)
- Lunch

The cost of this unique day is only £50 per delegate (additional delegates from the same school are only £25 and we strongly recommend more than one person attends). All monies will be used to cover the additional cost of staffing or to purchase merchandise for our Shop. This offer is extended to staff and Governors of primary and secondary schools.

Due to the nature of the event, places have to be limited and will be offered on a strictly first-come first-served basis.

For more information on the Shop and Bank (aka Learn and Earn), please visit our website.
