

# Curriculum Overview for Year 3

<p><b>Reading – word reading</b></p> <ul style="list-style-type: none"> <li>apply their growing knowledge of root words, prefixes and suffixes (etymology and morphology) as listed in <a href="#">English Appendix 1</a>, both to read aloud and to understand the meaning of new words they meet</li> <li>read further exception words, noting the unusual correspondences between spelling and sound, and where these occur in the word.</li> </ul> <p><b>Reading – comprehension</b></p> <ul style="list-style-type: none"> <li>develop positive attitudes to reading and understanding of what they read by:             <ul style="list-style-type: none"> <li>listening to and discussing a wide range of fiction, poetry, plays, non-fiction and reference books or textbooks</li> <li>reading books that are structured in different ways and reading for a range of purposes</li> <li>using dictionaries to check the meaning of words that they have read</li> <li>increasing their familiarity with a wide range of books, including fairy stories, myths and legends, and retelling some of these orally</li> <li>identifying themes and conventions in a wide range of books</li> <li>preparing poems and play scripts to read aloud and to perform, showing understanding through intonation, tone, volume and action</li> <li>discussing words and phrases that capture the reader's interest and imagination</li> <li>recognising some different forms of poetry (for example, free verse, narrative poetry)</li> <li>understand what they read, in books they can read independently, by:                 <ul style="list-style-type: none"> <li>checking that the text makes sense to them, discussing their understanding and explaining the meaning of words in context</li> <li>asking questions to improve their understanding of a text</li> <li>drawing inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence</li> <li>predicting what might happen from details stated and implied</li> <li>identifying main ideas drawn from more than one paragraph and summarising these</li> <li>identifying how language, structure, and presentation contribute to meaning</li> </ul> </li> <li>retrieve and record information from non-fiction</li> <li>participate in discussion about both books that are read to them and those they can read for themselves, taking turns and listening to what others say.</li> </ul> </li></ul>	<p><b>English</b></p> <p><b>Writing – transcription</b></p> <p><b>Spelling</b></p> <ul style="list-style-type: none"> <li>use further prefixes and suffixes and understand how to add them (English Appendix 1)</li> <li>spell further homophones</li> <li>spell words that are often misspelt (English Appendix 1)</li> <li>place the possessive apostrophe accurately in words with regular plurals (for example, girls', boys') and in words with irregular plurals (for example, children's)</li> <li>use the first two or three letters of a word to check its spelling in a dictionary</li> <li>write from memory simple sentences, dictated by the teacher, that include words and punctuation taught so far.</li> </ul> <p><b>Handwriting</b></p> <ul style="list-style-type: none"> <li>use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined</li> <li>increase the legibility, consistency and quality of their handwriting (for example, by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch).</li> </ul> <p><b>Writing – composition</b></p> <ul style="list-style-type: none"> <li>plan their writing by:             <ul style="list-style-type: none"> <li>discussing writing similar to that which they are planning to write in order to understand and learn from its structure, vocabulary and grammar</li> <li>discussing and recording ideas</li> </ul> </li> <li>draft and write by:             <ul style="list-style-type: none"> <li>composing and rehearsing sentences orally (including dialogue), progressively building a varied and rich vocabulary and an increasing range of sentence structures (English Appendix 2)</li> <li>organising paragraphs around a theme</li> <li>in narratives, creating settings, characters and plot</li> <li>in non-narrative material, using simple organisational devices (for example, headings and sub-headings)</li> </ul> </li> <li>evaluate and edit by:             <ul style="list-style-type: none"> <li>assessing the effectiveness of their own and others' writing and suggesting improvements</li> <li>proposing changes to grammar and vocabulary to improve consistency, including the accurate use of pronouns in sentences</li> <li>proof-read for spelling and punctuation errors</li> <li>read aloud their own writing, to a group or the whole class, using appropriate intonation and controlling the tone and volume so that the meaning is clear.</li> </ul> </li> </ul>	<p><b>Art &amp; Design</b></p> <ul style="list-style-type: none"> <li>to create sketch books to record their observations and use them to review and revisit ideas</li> <li>to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]</li> <li>about great artists, architects and designers in history.</li> </ul>	<p><b>Computing</b></p> <ul style="list-style-type: none"> <li>use sequence, selection, and repetition in programs; work with variables and various forms of input and output</li> <li>use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content</li> <li>select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information</li> <li>use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.</li> </ul>
<p><b>Number – number and place value</b></p> <ul style="list-style-type: none"> <li>count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more or less than a given number</li> <li>recognise the place value of each digit in a three-digit number (hundreds, tens, ones)</li> <li>compare and order numbers up to 1000</li> <li>identify, represent and estimate numbers using different representations</li> <li>read and write numbers up to 1000 in numerals and in words</li> <li>solve number problems and practical problems involving these ideas.</li> </ul> <p><b>Number – addition and subtraction</b></p> <ul style="list-style-type: none"> <li>add and subtract numbers mentally, including:             <ul style="list-style-type: none"> <li>a three-digit number and ones</li> <li>a three-digit number and tens</li> <li>a three-digit number and hundreds</li> </ul> </li> <li>add and subtract numbers with up to three digits, using formal written methods of columnar addition and subtraction</li> <li>estimate the answer to a calculation and use inverse operations to check answers</li> <li>solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction.</li> </ul> <p><b>Number – multiplication and division</b></p> <ul style="list-style-type: none"> <li>recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables</li> <li>write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods</li> <li>solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which n objects are connected to m objects</li> </ul>	<p><b>Mathematics</b></p> <p><b>Number – fractions</b></p> <ul style="list-style-type: none"> <li>count up and down in tenths; recognise that tenths arise from dividing an object into 10 equal parts and in dividing one-digit numbers or quantities by 10</li> <li>recognise, find and write fractions of a discrete set of objects: unit fractions and non-unit fractions with small denominators</li> <li>recognise and use fractions as numbers: unit fractions and non-unit fractions with small denominators</li> <li>recognise and show, using diagrams, equivalent fractions with small denominators</li> <li>add and subtract fractions with the same denominator within one whole</li> <li>compare and order unit fractions, and fractions with the same denominators</li> <li>solve problems that involve all of the above.</li> </ul> <p><b>Measurement</b></p> <ul style="list-style-type: none"> <li>measure, compare, add and subtract: lengths (m/cm/mm); mass (kg/g); volume/capacity (l/ml)</li> <li>measure the perimeter of simple 2-D shapes</li> <li>add and subtract amounts of money to give change, using both £ and p in practical contexts</li> </ul> <p><b>Statistics</b></p> <ul style="list-style-type: none"> <li>interpret and present data using bar charts, pictograms and tables</li> <li>solve one-step and two-step using information presented in scaled bar charts and pictograms and tables.</li> </ul> <p><b>Geometry – properties of shapes</b></p> <ul style="list-style-type: none"> <li>draw 2-D shapes and make 3-D shapes using modelling materials; recognise 3-D shapes in different orientations and describe them</li> <li>recognise angles as a property of shape or a description of a turn</li> <li>identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn; identify whether angles are greater than or less than a right angle</li> <li>identify horizontal and vertical lines and pairs of perpendicular and parallel lines.</li> </ul>	<p><b>Design &amp; Technology</b></p> <p><b>Design</b></p> <ul style="list-style-type: none"> <li>use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups</li> <li>generate, develop, model and communicate their ideas through discussion, annotated sketches, cross-sectional and exploded diagrams, prototypes, pattern pieces and computer-aided design</li> </ul> <p><b>Make</b></p> <ul style="list-style-type: none"> <li>select from and use a wider range of tools and equipment to perform practical tasks (for example, cutting, shaping, joining and finishing) accurately</li> <li>select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities</li> </ul> <p><b>Evaluate</b></p> <ul style="list-style-type: none"> <li>investigate and analyse a range of existing products</li> <li>evaluate their ideas and products against their own design criteria and consider the views of others to improve their work</li> <li>understand how key events and individuals in design and technology have helped shape the world</li> </ul> <p><b>Technical knowledge</b></p> <ul style="list-style-type: none"> <li>understand and use mechanical systems in their products (e.g. series circuits incorporating switches, bulbs, buzzers and motors).</li> </ul> <p><b>Cooking</b></p> <ul style="list-style-type: none"> <li>understand and apply the principles of a healthy and varied diet</li> <li>prepare and cook a variety of predominantly savoury dishes using a range of cooking techniques</li> <li>understand seasonality, and know where and how a variety of ingredients are grown, reared, caught and processed.</li> </ul>	<p><b>Geography</b></p> <p><b>Geographical skills and fieldwork</b></p> <ul style="list-style-type: none"> <li>use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world</li> </ul> <p><b>Human and physical geography</b></p> <ul style="list-style-type: none"> <li>describe and understand key aspects of: physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</li> </ul>
<p><b>Science</b></p> <p><b>Plants</b></p> <ul style="list-style-type: none"> <li>identify and describe the functions of different parts of flowering plants: roots, stem/trunk, leaves and flowers</li> <li>explore the requirements of plants for life and growth (air, light, water, nutrients from soil, and room to grow) and how they vary from plant to plant</li> <li>investigate the way in which water is transported within plants, including pollination, seed formation and seed dispersal.</li> <li>explore the part that flowers play in the life cycle of flowering plants, including pollination, seed formation and seed dispersal.</li> </ul> <p><b>Animals, including humans</b></p> <ul style="list-style-type: none"> <li>identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat</li> <li>identify that humans and some other animals have skeletons and muscles for support, protection and movement.</li> </ul> <p><b>Rocks</b></p> <ul style="list-style-type: none"> <li>compare and group together different kinds of rocks on the basis of their appearance and simple physical properties</li> <li>describe in simple terms how fossils are formed when things that have lived are trapped within rock</li> <li>recognise that soils are made from rocks and organic matter.</li> </ul> <p><b>Light</b></p> <ul style="list-style-type: none"> <li>recognise that they need light in order to see things and that dark is the absence of light</li> <li>notice that light is reflected from surfaces</li> <li>recognise that light from the sun can be dangerous and that there are ways to protect their eyes</li> <li>recognise that shadows are formed when the light from a light source is blocked by a solid object</li> <li>find patterns in the way that the size of shadows change.</li> </ul> <p><b>Forces and magnets</b></p> <ul style="list-style-type: none"> <li>compare how things move on different surfaces</li> <li>notice that some forces need contact between two objects, but magnetic forces can act at a distance</li> <li>observe how magnets attract or repel each other and attract some materials and not others</li> <li>compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials</li> <li>describe magnets as having two poles</li> <li>predict whether two magnets will attract or repel each other, depending on which poles are facing.</li> </ul> <p><b>Working scientifically</b></p> <ul style="list-style-type: none"> <li>asking relevant questions and using different types of scientific enquiries to answer them</li> <li>setting up simple practical enquiries, comparative and fair tests</li> <li>making systematic and careful observations and, where appropriate, taking accurate measurements using standard units, using a range of equipment including thermometers and data loggers</li> <li>gathering, recording, classifying and presenting data in a variety of ways to help in answering questions</li> <li>recording findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables</li> <li>reporting on findings from enquiries, including oral and written explanations, displays or presentations of results and conclusions</li> <li>using results to draw simple conclusions, make predictions for new values, suggest improvements and raise further questions</li> <li>identifying differences, similarities or changes related to simple scientific ideas and processes</li> <li>using straightforward scientific evidence to answer questions or to support their findings.</li> </ul>	<p><b>History</b></p> <p><b>Changes in Britain from the Stone Age to the Iron Age</b></p> <ul style="list-style-type: none"> <li>late Neolithic hunter-gatherers and early farmers, for example, Skara Brae</li> <li>Bronze Age religion, technology and travel, for example, Stonehenge</li> <li>Iron Age hill forts: tribal kingdoms, farming, art and culture</li> </ul>	<p><b>Modern Languages</b></p> <p><b>French</b></p> <ul style="list-style-type: none"> <li>listen attentively to spoken language and show understanding by joining in and responding</li> <li>explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words</li> <li>appreciate stories, songs, poems and rhymes in the language</li> <li>explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words</li> <li>ask and answer questions; express opinions and respond to those of others;</li> <li>describe things and actions orally and in writing</li> <li>develop accurate pronunciation and intonation so that others understand when they are using familiar words and phrases understand basic grammar appropriate to the language being studied, including key features and patterns of the language, feminine and masculine forms</li> </ul>	<p><b>Music</b></p> <ul style="list-style-type: none"> <li>play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression</li> <li>appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians</li> <li>listen with attention to detail and recall sounds with increasing aural memory</li> </ul>
		<p><b>Physical Education</b></p> <ul style="list-style-type: none"> <li>use running, jumping, throwing and catching in isolation and in combination</li> <li>play competitive games, modified where appropriate (for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis), and apply basic principles suitable for attacking and defending</li> <li>develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]</li> <li>perform dances using a range of movement patterns</li> <li>compare their performances with previous ones and demonstrate improvement to achieve their personal best.</li> </ul>	<p><b>Religious Education</b></p> <ul style="list-style-type: none"> <li>LAS Unit 9 – Symbolism in worship at the Cathedral (just Christianity)</li> <li>LAS Unit 13 – What is special about the Bible, and why is it important for Christians?</li> <li>LAS Unit 14 – What can we learn from people of faith today? (just Christianity)</li> </ul>
