

Brain Challenge

- Think of an action for each of the letters and do the action as you sing them out loud and then when you sing them in your head.
- Think of some **other characters or people's jobs** who could have a dog - barber, plumber, astronaut ...

Car Journey Ideas

- Choose another name for the dog and spell out this word. What about **A.L.F.I.E**
- Think of a different sound to make for each letter and sing that sound instead of the silent letter
- Sing each verse **in the voice of the owner** - farmer, alien, dancer, rock star

Bingo (Was His Name-O)

- B** - tap head
- I** - tap shoulders
- N** - tap thighs

Walking Around the Room

- Walk as you sing the song and then stop and **stamp your feet** as you spell out BINGO.
- Walk as you sing the song and then face someone and clap/pat their hands as you spell out BINGO

Musical Activity with a Scrunch/Squirble

Pass the Squirble round as you sing and stop and do some actions as you spell out BINGO. One way could be to **bounce the squirble** on the silent letters and keep it still when you call them out. Although when you call out 'O' with the rockstar, it's fun to all **lift the squirble** above your heads rather than keeping it still.
