

Challenge 6

Boston Nursery School

Weekly Challenge!

Grown-ups:

Talk about what clothes we wear on a cold or hot day!

When you are at home, or out and about, help your child to chat about what they wear to keep them warm. Ask them to tell you what they need to go outside. I.e Coat, scarf, hat and gloves. You could then talk about what they might need if they were going out on a hot day!

If children can identify what they are wearing they will begin to develop their self-help and organisational skills. It will support their logical thinking and promote physical independence.
