

Challenge 7

Boston Nursery School

Weekly Challenge!

Grown-ups:

Go for a walk, car, bus, bike or train ride and talk about what you see!

When you are out and about, help your child to chat about what they see and hear. For example, you could go to the park, the shops, the zoo or farm! Our world is an amazing place and the children love to have lots of different experiences of the world around them!

If children can be given opportunities to explore the world around them, it will encourage them to develop an enquiring mind and extend their vocabulary and language skills.
