

Do you know what I am say my name if you can...

Shape Riddles

Can you guess the shape from the clues?

I have just one line that goes round and round  
and I can roll on the ground.

I have no beginning and no end.

What am I?

Do you know what I am? Say my name if you can?

If you look really close you will see

I have 3 sides 1,2,3

and my face is like a pyramid,

What am I?

Do you know what I am?

Say my name if you can.

I have 4 sides and 4 corners, they are all the same

If you know my name, you're good at this game.

Do you know what I am? Say my name if you can?

I have 4 sides like a square,

But 2 sides are shorter,

But I do not care.

What am I?

Can you draw the shapes in the air?

How many shapes can you spot around your house?
