

Kirton Primary School PE and Sport Funding

The government provides additional funding to improve provision of physical education (PE) and sport in primary schools.

2022/23

| 2022/23 PE and Sports Grant Budget | £ |
|---|---------------|
| Balance brought forward | 13987 |
| In year funding | 20,290 |
| Expenditure | |
| Boston Sports Partnership | 4800 |
| After School and lunchtime clubs/activities | 11970 |
| Transport | 1529 |
| PE Equipment | 1236 |
| CPD | 3100 |
| Total Expenditure | 22635 |
| Balance carried forward (2023-24) | 11642 |

There will be £20385 funding 2023/24 and there will be £11642 to be carried forward from 2022/23. The above table shows the breakdown of the 2023/23 money and how it was spent.

More precise details are shown below:

- continued membership of the Boston Schools Partnership
- continued funding of after-school sports clubs (four days a week, 6 clubs)
- use of Sport2Day coaches to help motivate children to play at lunchtimes (promoting physical and mental wellbeing as well as helping children make good behaviour choices)

For 2022-23 Kirton Primary School's goals were to:

- increase activity levels in children every day they are at school and encourage this habit to continue into the weekend and after school with family and friends
- develop a strong culture regarding sport (inclusion, competition, development days to promote the trying new sports) and fitness across the school
- increase inclusion, involving more children in sports and competitions – taking advantage of opportunities offered through Boston School Partnership, running and hosting our own events, utilising Sport2Day opportunities that allow the children to be involved with a wider range of sports (Kabaddi, Archery, Crazy Catch)
- run Change 4 Life programmes to help support numerous SEN children to develop confidence in physical activity and make new friends
- maintain or increase the high numbers of children trying sports or representing the school at sports

- develop different sporting challenges using the playground & field adventure equipment (static exercise equipment, climbing frames, playground markings, for games and outdoor adventurous activities – orienteering)
- continue the professional development of and support to teachers to introduce new skills and sports to the children, through staff meetings, share best practice and one-to-one mentoring, especially with regards to Outdoor Adventurous Activities and for ECTs (Early Career Teachers)
- develop monthly, inter-house competitions so that more children can try new sports during the school day but outside normal PE lessons

Below is a selection (non-exhaustive) of some of the events Kirton Primary School children got to experience. For more information, please refer to our website and/or newsletters.

| <u>Interschool tournaments and taster days 2022-23</u> | | |
|---|------------------------|---|
| Event | No. of children | Impact |
| Girls' 5-a-side football | 10 | Kirton secured a win in this event. Girls empowered with being ambassadors for future years females to get involved in sport (via assembly talks) |
| Dance Development Day | 10 | Year 5 children came back tired but smiling |
| Tennis Development Day | 10 | Children loved it that much, Kirton School then entered a Tennis Tournament |
| Danish Longball (non-traditional game) | 20 | Year 5 won the competition. Year 4 came 4th but loved it. Year 4 children are already asking if they can be in the Year 5 team! |
| Dynamo Cricket (Girls) | 8 | Won the competition and then went on to win the county final so Kirton are County Champions two years in a row! Children were invited to join Boston Cricket Club. |
| Ultimate Frisbee Development Day | 20 | This is an event that Kirton Primary runs for other schools to experience. It is aimed at SEN children and Kirton's Year 5 / 6 children are the leaders for the event (empowering children and promoting the use of cognitive PE experts). |
| Girls' Football Development Day | 16 | Wonderful day of activities to promote girls participating in sport |
| Archery | 12 | Another win from the team of children ranging from Year 3 to Year 6. |

Impact against the goals:

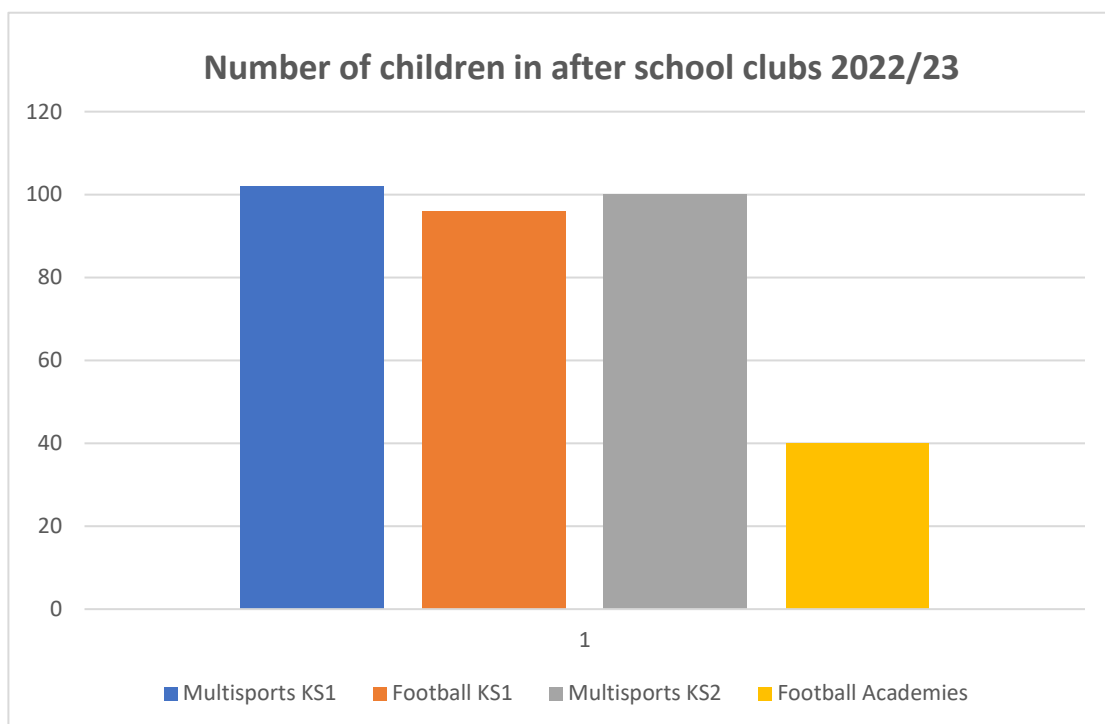

- ***increase activity levels:***
 - more clubs available after school this year for KS1;
 - more playground leaders (double the number of last year) to promote children being active during lunchtime play; and
 - more inter-house events allowing children to become more active lunchtime sessions.
- ***develop a strong culture regarding sport (inclusion, competition, development days to promote the trying new sports) and fitness across the school:***
 - events are always celebrated in assemblies;
 - reports about each event reported in the school newsletter and on the website;
 - more children applying for after-school clubs than before; and
 - more children wanting to take part in competitions (intra and interschool).
- ***increase inclusion:***
 - Kirton Primary School attending more development days where children are not selected because of their sporting acumen but simply to introduce them to new sports;
 - 6 specific SEN events throughout the year (Goalball, Kurling, Boccia, Paralympics, Change 4 Life festival and Ultimate Frisbee; and)
 - run Change 4 Life programmes to help support numerous SEN children to develop skills and confidence
- ***maintain or increase the numbers of children trying sports or representing the school at sports:***
 - Kirton Primary School have attended three Sport2Day events to increase participation (even more planned next year); and
 - developing great working relationships with the School Games Organiser from the Boston School's Sports Partnership has meant that when an opportunity arises to take more children to an event that wasn't previously planned, Kirton School is able to do so.
- ***develop different sporting challenges:***
 - brand new Outdoor Adventurous Activity course set up by "Enrich Education" around the school grounds (CPD delivered by the Enrich Team – full online support to allow cross curricular learning within the PE division).
- ***develop monthly inter-house competitions so that more children can try new sports during the school day but outside normal PE lessons:***
 - more interhouse Olympic events planned for this year (building on the three from last year – Football, Cross Country and Capture the Flag) – to be championed by the school councillors to find out what the children would like to try.

As well as working with the Boston Schools' Sport Partnership (BSSP), Kirton Primary also utilises Sport2Day and the Boston United Community Team to provide after school clubs for children. These teams also support lunchtime play by providing sports coaches to get children more active in their lunchtime.

Participation in after school clubs (funded through the PE Sport Premium) is in high demand (nearly all clubs are full each year and we have increased the number of clubs since introducing them). Kirton Primary School pays for the entirety of these clubs through the Sport Premium ensuring that sport is truly accessible to all.

The number of children that used these clubs is shown below:

With the Sport Premium budget set for 2023/24, Kirton Primary School can already commit to achieving all the above opportunities for children to develop healthy lives, try new sports and compete in new games whilst enhancing their skills.

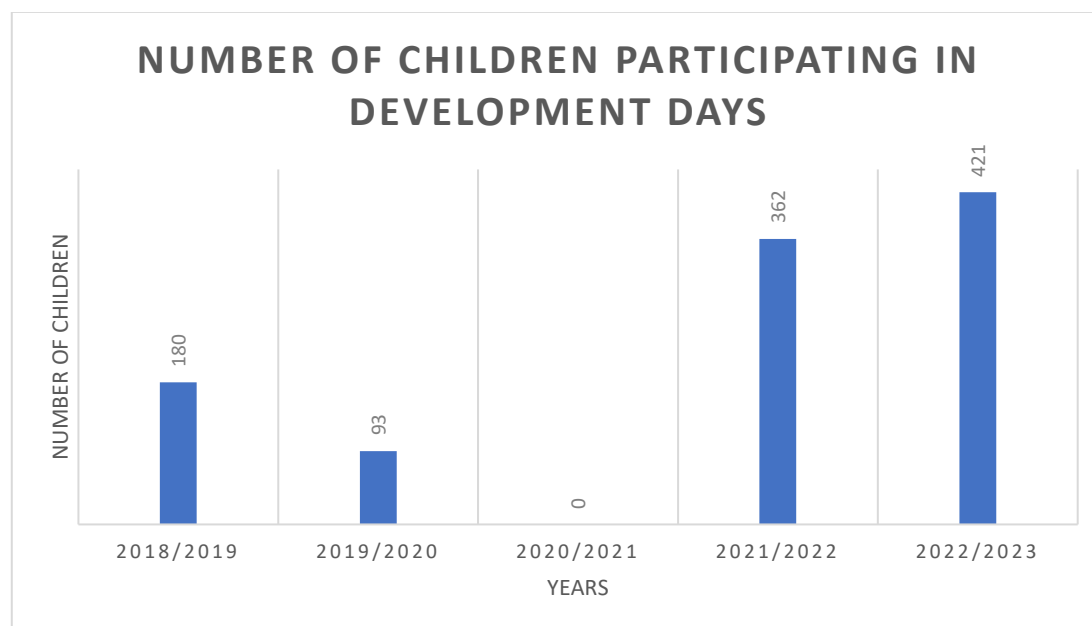

Due to the highly dedicated nature of the teaching team at Kirton, the internal activities that are run will also be achieved (and improved upon – by having more opportunities such as interhouse Olympics) in future years.

Relationships with sporting professionals (Sport2Day, Boston United, Boston School's Sport Partnership) ensures that costs are kept to an absolute minimum but the outcomes are maximised for the children.

The National School Games Mark – for which Kirton Primary School has achieved the Gold standard for the previous 4 years and will achieve Platinum this year – has changed the emphasis within school sports to ensure that as many children as possible have the chance to experience new sports and stay healthier. Working with the local School Games Organiser has ensured that more events have been added that are development days as opposed to competitive events.

The increase in numbers is shown below (2020-2021 shows a zero-figure due to the pandemic):

The type of events that the children got to experience were: orienteering, girls' football, ultimate frisbee, gymnastics, dance, basketball, high five, TAG rugby and Paralympics (Goalball, Boccia, New-Age Kurling).

Swimming Overview

| | |
|---|---|
| <u>Meeting national curriculum requirements for swimming and water safety.</u> | |
| What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? | 92% |
| What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? | 84% |
| What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations? | 80% |
| Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way? | Yes, through the Boston School Sports Partnership (increased to 2 weeks for 2022/23 to ensure maximum potentials are achieved). |
