

Image hooks	Key knowledge to be transferred to long term memory	You will remember:	Intrepid Explorers	Image hooks	Key knowledge to be transferred to long term memory	You will remember:
	Explorers discovered new countries and added them to the map.	Last term, you used a map to look at the four countries that make up the United Kingdom. These are England, Scotland, Wales and Northern Ireland.			Scott and Amundsen went on a trip to the South Pole. Amundsen was the first person to reach the South Pole.	In Reception, you learnt that the South Pole is the coldest place on Earth.
	Ibn Battuta was an explorer. He spent 29 years travelling to lots of places around the world, such as Africa.	Last term, you used a world map to identify the seven continents of the world. These are Asia, Africa, North America, South America, Antarctica, Europe and Australia.			Amundsen used dogs to pull his sledges.	In Reception, you learnt that a raincoat and wellies are best to wear in the rain, because they are waterproof.
	Memorials are made to remember people and events in the past.	During your walk in Kirton in Reception, you saw the statue of William Dennis in front of Kirton Town Hall.			Scott's men used sledges, ponies and dogs, but unfortunately none of these worked well and the men had to pull the sledges themselves.	In Term 3, you learnt that the Wright brothers worked on their plans for a long time before they invented a successful airplane.
	Captain Cook went on a ship through the Pacific Ocean to observe the planet, Venus.	In Reception, you learnt planets, such as Venus, are in space.			Sunita Williams is an American astronaut. She went on her first trip into space in 2006 on the shuttle Discovery.	In Reception, you learnt about the astronaut Tim Peake, who carried out lots of experiments in space.
	Many people believe that Cook is a hero because of his courage.	In PSHE, you have learnt that you need courage when trying something new.			Sunita Williams has won an award for the first marathon in space and holds a record for most spacewalk time for a woman.	In Reception, you learnt that Queen Elizabeth II gave Tim Peake an award for his research in space.

Key Vocabulary	
explorer	Someone who travels to new places.
map	A drawing which shows where places are.
navigation	Finding the way from place to place.
hero	A person who is admired for things they have done.
expedition	A journey to find something out.
astronaut	A person who goes into space.

The Big Event

Design and create a memorial for the explorer that you think is the greatest.
