Brain Challenge

Sing the song in your head only singing out loud 'September'

Pick a word or word beginning with a certain letter such as 's' and do an action e.g clap when you sing that word.

Sing and Draw

A lovely song to sing with your child and draw on their back. Also the other way round with them drawing on a friend or their parent. Don't forget to ask if they are happy to do the activity and if not they could always draw on a teddy bear or on their hand or thigh.

We have separate sheets for this song on our website.

Standing up in a Circle

'Dip our heads' - turn around with backs to centre of the circle and look through your legs to others across the circle and wave
